## 1. Introduction

Papers, in **PDF format**, should be submitted to the EasyChair online submission system by 31 October 2024. Short communication papers can be submitted until 31 January 2025. Please note that the paper should be in **English**.

## 2. FORMAT

Set the format of the paper as follows:

- Font: 11pt. Times New Roman Bold, underline, or italics may be used as needed. (using style 'Normal' will be easier)
- Spacing: Single spacing for all text material, with one line between paragraphs.
- Margins: 25mm (1 inch) margins top, bottom, left and right.
- Page numbers: bottom centre
- Page size: ISO A4 (210 x 297mm / 8.25" x 11.75")
- Number of pages : 8 pages maximum for regular papers, 4 pages for short communication papers

### **3. Sections**

The main section should be numbered and typed in 14pt, bold, allcaps, times new roman, left justified (using style 'heading 1' will be easier). Two blank lines above main headings, and 1 blank line below.

#### **3.1 Subsections**

Subheadings should be numbered and typed in bold 12pt., Times New Roman, initial caps, left justified (using style 'heading 2' will be easier). One blank line above and below.

#### **3.2 Sub-subsections**

Sub-subheadings should be numbered and typed in bold 11pt. Times New Roman typeface, initial caps, left justified (using style 'heading 3' will be easier). One blank line above and below.

### **4. Paper Structure**

#### **4.1 Cover page**

The first page of the short paper should contain the following, and in the order specified below:

- Paper title: 24pt, Times New Roman typeface, bold, centre justification, small capital.
- Authors: List author details in 11 point bold including names (the main author listed first), with current affiliations, addresses, and email address(es). The corresponding author should be highlighted by "\*".
- Abstract: Less than 100 words
- Keywords: up to five

#### **4.2. Main text**

There are no specific requirements for the main text. However, the following structure will be suitable in many cases:

- Introduction
- Methodology
- Data source (if any)
- Results
- References
- Acknowledgment (optional)

The format of equations, tables and figures will be described in the next section.

### **5. EQUATIONS, Tables And Figures**

#### **5.1 Equations**

All equations must be numbered and have to appear in the following format:

$$a^2 + b^2 = c^2 \quad (1)$$

## 5.2 Tables and figures

Tables, figures should be numbered sequentially, with a caption in bold, 11 pt. as shown below:

**Table 1: Sample of table**

Date	Events
31 October 2024	Deadline for submission of short papers (up to 8 pages)
15 February 2025	Announcement of acceptance/rejection and invitation of selected papers to specific SIs
15 May 2025	Submission of finalized short papers
1-4 July 2025	Conference

**Figure 1: Sample of figure**

All tables, figures, and illustrations must be electronically formatted and embedded within the document.

## 6. References

References should follow the Harvard system; the name of the author and the year of the publication of the reference should be given in the text. If the same author has written two or more publications in the same year, they should be differentiated by the letters a, b, c etc. For references with more than two authors, text citations should be shortened to the first author followed by *et al.* Use hanging indents in typing the references. Using style 'references' will be easier.

References should be listed in alphabetical order at the end of the article. References by the same author should be in chronological order. Journal references should include author's surname and initials, surnames and initials of remaining authors, year of the publication in brackets, article title (if provided), abbreviated journal title (in italic), volume number (in bold), page numbers, and DOI (if provided).

References to books should include author's surname and initials, surnames and initials of remaining authors, year of the publication in brackets, the book title, the name of the publisher and the place of publication. References to multi-author works should include, after the date of the publication, the chapter title, "In" followed by book title (in italic), surnames and initials of the editor in brackets, volume number and pages, the name of the publisher and place of publication.

The example of references is as follows:
